PRODUCT DESCRIPTION

Meet the new member of the Agile Family, The Agile Combination C70 Rolling Mill, Designed with the beginner in mind and by popular demand, this compact rolling mill is perfect for students, beginners or even seasoned professionals wanting Durston Quality at a price that means you do not need to purchase a low quality import. All of Durstons Rolling Mills are designed to give a lifetime of service and this new model is no exception.

The Agile C70 Features a Direct Drive and Combination Rolls offering a 40mm flat rolling area with a maximum sheet thickness of 3.5mm and 9 wire rolling grooves. Adjust this Rolling Mill with ease using the top mounted T Bar, calibrated to give precise accuracy, as with all Durston Rolling Mills in the Agile Range.

The cast iron body gives superb strength and agility, which combined with RC64 induction hardened rolls ensures a lifetime of rolling with professional results.

Another new addition to the range is the Agile [F50 Rolling Mill](#)
