-

PRODUCT DESCRIPTION

Meet the new member of the Agile Family, The Agile Combination F50 Rolling Mill, Designed with the beginner in mind and by popular demand, this compact rolling mill is perfect for students, beginners or even seasoned professionals wanting Durston Quality at a price that means you do not need to purchase a low quality import. All of Durstons Rolling Mills are designed to give a lifetime of service and this new model is no exception.

The Agile F50 Features a Direct Drive and exclusively flat rolls offering a 50mm rolling area with a maximum sheet thickness of 2.5mm. Adjust this Rolling Mill with ease using the top mounted T Bar, calibrated to give precise accuracy, as with all Durston Rolling Mills in the Agile Range.

The cast iron body gives superb strength and agility, which combined with RC64 induction hardened rolls ensures a lifetime of rolling with professional results.

Another new addition to the range is the [Agile C70 Rolling Mill](#).
