

ROLLING MILL CABINET STAND

SKU: 1064

The Rolling Mill Cabinet Stand from Durston Tools has been designed to provide a stable and safe base for your rolling mills while incorporating some additional storage space. The cabinet has a height of 900mm, width and depth of 350mm, and has been specially designed to suit all the Durston Tools manual rolling mills. The lockable cabinet also provides an ideal storage space to keep things safe and out of harm's way.

PRODUCT DESCRIPTION

The Rolling Mill Cabinet Stand from Durston has been designed to provide a stable and safe base for your rolling mills while incorporating some additional storage space. The cabinet has a height of 900mm, width of 300 and depth of 300mm, and has been specially designed to suit all the Durston manual rolling mills. The lockable cabinet also provides an ideal storage space to keep things safe and out of harm's way.

Please note: For the Olivia Rolling Mill the door on this stand will be obstructed by the turning wheel. The stand will need to face the opposite direction so the door can open fully.
