

CONVEX PRESS FORMING DIES

SKU: 2172

Elevate the capabilities of your Durston Press with the Convex Forming Die Set. Precision ground and polished for perfect results, these dies are specifically designed for creating beautifully rounded, domed shapes in your bracelet projects.

This set includes a pair of convex-shaped dies, one small and one large, perfect for intricate curved designs with flawless finishes. The supporting bar / forming frame, also known as the U bracket, is available for separate purchase.
