## **PRODUCT DESCRIPTION**

Durston's Disc Cutters have been carefully manufactured with an innovative new design. They include a unique storage tray to hold all the punches, and this sits neatly into the back of the disc cutter tray. There is a lubricating compound for the disc cutter included with the set. There is an innovative, easy clamping solution whereby the user clamps and then removes the Allen key (which is also included with disc cutter set). The collection also includes levelling shims to provide a complete disc cutting solution for your jewellery workshop. This set contains ten punches ranging in size from 3mm up to 32mm and weighs in at 7.45kg (3, 6, 9, 13, 16, 19, 22, 25, 28, 32mm). Up to 1mm for cutting non-ferrous metals.
