

6 DRAWER UNIT FOR WORKBENCH

SKU: 1865

Durston's Drawer Unit is a great way of providing additional storage capacity at the bench or as a stand-alone elsewhere in your workshop. Made from solid hardwood, the unit features six drawers, enabling you to organise all your tools and equipment.

PRODUCT DESCRIPTION

Durston's Drawer Unit is a great way of providing additional storage capacity at the bench or as a stand-alone elsewhere in your workshop. Made from solid hardwood, the unit features six drawers, enabling you to organise all your tools and equipment. All the drawers are beautifully finished with easy sliders and felt linings and come in two different sizes. The unit is totally mobile ? with front-wheel locks keeping it securely in position. The drawer unit arrives fully assembled - only the supplied casters need to be attached. Finally, a top rail means the unit adds a valuable additional space for tools and other items. The drawer unit can also complement your existing workbench. It's a premium product with multiple applications; part of Durston's award-winning range of products, available since 1961.

Dimensions: 850mm x 410mm x 330mm
