DRM F130 SINGLE

SKU: N/A

Powered Rolling Mill - DRM F130 Single Sided from Durston Tools. The DRM F130 Powered Rolling Mill is constructed from cast iron for optimal strength and rigidity. The F130 is a powered flat roll mill for rolling sheet metal; side extensions also enable half round milling. The 1.1KW 110-volt motor is powerful enough for continuous operation which is why Durston Tools' mills have such a long working life. This versatile package has variable speeds from 5 to 20 RPM and a highly efficient near silent operation.

PRODUCT DESCRIPTION

Durston Tools is the market leader in precision rolling mills and no wonder; the DRM F130 Powered Rolling Mill is constructed from cast iron for optimal strength and rigidity. The F130 is a powered flat roll mill for rolling sheet metal; side extensions also enable half round milling. The 1.1KW 110-volt motor is powerful enough for continuous operation which is why Durston Tools' mills have such a long working life. This versatile package has variable speeds from 5 to 20 RPM and a highly efficient near silent operation. The rolls are especially induction hardened to 64 RC; the main barrel to a depth of 6mm, ensuring your rolls last a lifetime. The rolls themselves are flat-rolled providing maximum capacity for flat metal sheet rolling. Side extension rollers offer a total of four half-rounds of 4, 3, 2 and 1.5mm. Safety features include an emergency stop button, safety bars at the front and rear of the mill, guards covering the extension rollers as well as guards covering the top gear. Part of Durston Tools' award-winning range of products available since 1961.

Additional or Replacement Extension Rollers available for this model:
Extension Roller 8, 6 & 3mm for Power Mills
Extension Roller 10 & 7mm for Power Mills
Extension Roller 4, 3, 2 & 1.5mm for Power Mills (Included as standard)
Extension Roller Plain for Power Mills (Included as standard)
Please read our Rolling Mill FAQs tab for more information.

ADDITIONAL INFORMATION

Weight	150 kg
Dimensions	60 × 60 × 64 cm
Product Weight (kg)	130KG
Product Length (mm)	500
Product Width (mm)	390
Product Height (mm)	540
Max. Sheet Thickness (mm)	6
Roller Type	Flat
Roller diameter (mm)	65
Roller Length (mm)	130
Side Extensions	4, 3, 2, 1.5mm
Voltage	110V, 220V
Range	DRM Powered
