PRODUCT DESCRIPTION

Durston's new master forming set includes the 24 piece dapping punch set, a 70mm square block with 26 holes, the flat dapping block with 23 holes, bending block, forming block and 14 forming rods. This is the complete set for the busy professional that needs a full set of doming, punch and die tools ready to hand. Each piece is carefully crafted and then hardened, ground and highly polished to create the perfect finish and consistent results through years of use. The set comes with carrying handles and base block to securely store your tools when not in use, giving years of loyal service. Demand Durston; the #1 manufacturer of rolling mills and tools for the global jewellery industry.
