PRODUCT DESCRIPTION

Durston's Heavy Duty Leather Apron is ideal for Jewellers, Craft Workers, Welders and all manner of indoor and outdoor work. Beautifully constructed from extra thick split cowhide, the apron is comfortable, extremely durable, yet it's surprisingly light and very practical. For casting or soldering it protects from splatter because it's naturally durable and heat resistant. It's ideal for polishing too, with three pockets providing a convenient stow-away for your tools. Finally, adjustable straps for the neck and waist ensure the perfect fit. The Durston Heavy Duty Leather Apron is a must for any workshop – part of Durston's award-winning range of products, available since 1961.
