

## **JEWELLER'S LED HALO TABLE LAMP**

**SKU:** N/A

LED Table Lamp (dimmable, colour change with USB) from Durston Tools. The Dimmable & Colour Change Jeweller's Lamp offers three different light colours. 48 LEDs deliver eight watts of light and there's no heat emission to make your work area uncomfortable. Three levels of dimming provide light from a warm 3000K non-glare which is soft to the eye, to a 5000K bright light, and the light is both shadow and flicker-free to minimise fatigue and eye strain. The energy-saving design includes an eye-care cover for your comfort and a flexible neck that can twist 360.

## **PRODUCT DESCRIPTION**

This dimmable & colour changing jeweller's lamp offers three different light colours. 48 LEDs provide eight watts of light and there's no heat emission to make your work area uncomfortable. Three levels of dimming provide light from a warm 3000K non-glare which is soft to the eye, to a 5000K bright light, and the light is both shadow and flicker-free to minimise fatigue and eye strain. The energy-saving design includes an eye-care cover for your comfort and a flexible neck that can twist 360. Also included is a handy USB port; great for charging your devices. Available in black or white for use on either 110 or 240 volts and can be supplied with UK, European, or American plugs. Durston Tools' range of jeweller's lamps are the perfect partner for your jewellery projects to provide the stable illumination you need to work effectively with as little eye strain as possible. The Dimmable & Colour Change Lamp - part of Durston Tools' award-winning range of products, available since 1961.

*Please note, the USB outlet will not charge iPhones.*
