

## PRECISIONFIT<sup>™</sup> STEEL MARKED RING MANDREL (USA SIZES 1 - 16)

**SKU:** 1524US

Durston Tools' PrecisionFit<sup>™</sup> Marked Hardened Steel Ring Mandrel, providing US ring sizing from 1-16. Our PrecisionFit<sup>™</sup> technology is the most accurate ring sizing system in the World, guaranteed to provide a perfect sizing between mandrels and rings. PrecisionFit<sup>™</sup> is the USA's favourite ring mandrel range, with over 20,000 sold in the USA per year!

## **PRODUCT DESCRIPTION**

The PrecisionFit<sup>™</sup> system is used by individual jewellers through to large, multiple chains. The PrecisionFit<sup>™</sup> Steel Marked Ring Mandrel is hardened to 64RC to ensure a solid base for your work, weighing in at 2.2 pounds (1KG). The PrecisionFit<sup>™</sup> system ensures your 1-16 ring sizing is right every time - no more cross-referencing with inaccurate ring sizers and mandrels. PrecisionFit<sup>™</sup> mandrels and ring gauges are made to International Standard ISO 8653. Machined, hardened, ground &amp; engraved to a perfect finish at our UK factory, to ensure 100% accuracy. Each mandrel is put through our rigorous PrecisionFit<sup>™</sup> Quality Control System to ensure accurate 1-16 sizing. All PrecisionFit<sup>™</sup> mandrels are created with ergonomically designed handles to provide a firm and comfortable grip. Manufactured from steel with a length of 360mm. Don't settle for less than PrecisionFit<sup>™</sup>.
