

DURSTON MULTI MANDREL FORMING PLIER 140MM

SKU: 1778

These Multi Mandrel Forming Pliers are for creating jump rings, bails and patterns in wire. The jaws offer looping sizes of 2, 3, 3.5, 5.5, 7 & 9 mm.

The ergonomic handles provide a comfortable grip, allowing you to work longer and reduce hand fatigue. Durston Multi Mandrel Forming Pliers are created with poly handles for increased comfort.
