

## PLANISHING PRESS HAMMER

**SKU:** 1127

Planishing Hammer - Planishing Tools from Durston Tools. Planishing Hammers are excellent for quickly straightening out and repairing sheet metal or just about anything else you would like to make perfectly flat.

---

## PRODUCT DESCRIPTION

Planishing Press Hammers are excellent for quickly straightening out and repairing sheet metal or just about anything else you would like to make perfectly flat. The platens are hardened to Rockwell 52, making them suitable for flattening non-ferrous soft metal alloys of copper, brass, silver and gold. The planishing hammer stands 540mm high and weighs 21.6kgs.
