- Made from Quality Hardwood (some non structural parts made with HDF)

PRODUCT DESCRIPTION

Durston's Professional Wooden Workbench is the perfect tool for jewellers, offering exceptional quality in a package that takes little more than five minutes to assemble. It is beautifully crafted from an eco-friendly hardwood, creating a super strong work surface to give a lifetime of use. The high railings around the top edges and sides prevent anything from slipping off.

Key features also include three side drawers, providing valuable storage space to keep all your tools and accessories, a large central draw which has a base lined with galvanised steel, plus a slide-out centre tray with

a cut-out area which also includes a rear shelf. Durston's attention to detail doesn't stop there. You'll find pre-drilled holes for mandrels, a bench peg together with useful arm supports and a side mounted shelf for tools and accessories. Rest assured the workbench comes with multi-transit packaging guaranteeing safe and damage free delivery to your door. The Professional Wooden Workbench; part of Durston's award-winning range of products available since 1961.
