

THE POWERED JUMP RINGER

SKU: 1311

The Power Ringer from Durston Tools. The Super Ringer 300 or Power Ringer will enable you to cut thousands and thousands of jump rings in no time at all. There is no need for a hand piece, and the system coils up the ring with great ease. Simply insert the wire and press the button. Lay coils in coil holder and simply push. Cut hundreds of coils in seconds, and you can make coil length as long as 300mm. There is a separate variable speed motor for coiling up your wire, and therefore there is no need to turn the handle.

PRODUCT DESCRIPTION

The Super Ringer 300 or Power Ringer will enable you to cut thousands and thousands of jump rings in no time at all. There is no need for a hand piece, and the system coils up the ring with great ease. Simply insert the wire and press the button. Lay coils in coil holder and simply push.
