PRODUCT DESCRIPTION

The new Durston Extra Large Bench Vice, with a 6 inch width this vice will securely hold your work for those larger jobs or is a perfect solution for vice mounted tools that require extra stability. This Extra Large Vice will securely hold your work whilst allowing you to swivel the base as required, a full 360°. Lock the vice into place by sliding the T handle, loosen and tighten the jaws by turning the easy access body handle. The body is powder coated cast iron for strength and stability and also ensuring a long service life. The base is also pre-drilled with three countersunk holes for mounting to your work surface.
