

## **FLAT/CURVED PRESS FORMING DIES**

**SKU: 2173**

Enhance your Durston Press with the Flat/Curved Forming Die Set. These precision ground and polished dies are designed for creating both flat and subtly curved designs in bracelets.

Each set includes a pair of dies, one small and one large, offering versatility and precision for a range of jewellery pieces. The supporting bar / forming frame, also known as the U bracket, is available for separate purchase.
