

POWERED DRAWBENCH 1800MM

SKU: 1196

Draw Bench Range - DDB 1800 Power from Durston Tools. Durston Tools' Powered Draw Bench (DDB 1800 Power) has the same specification as the manual tool benches but, in addition, offers an electric variable speed motor for simple drawing. The bench can draw 1350mm and benefits from a robust 0.75kW motor providing both forward and reverse gear. The unit also has a cast-iron gearbox and a nearside operation. The unit also benefits from two emergency stop switches at either end of the bench.

PRODUCT DESCRIPTION

Durston's Powered Draw Bench (DDB 1800 Power) has the same specification as the manual tool benches but, in addition, offers an electric variable speed motor for simple drawing. The bench can draw 1350mm and benefits from a robust 0.75kW motor providing both forward and reverse gear. The unit also has a cast-iron gearbox and a nearside operation. The unit also benefits from two emergency stop switches at either end of the bench. The bench weighs 82kg and can draw wire up to 10mm. The bench is manufactured to the highest standards and is designed to last a lifetime. The bench is 1900mm long, 350mm wide and 800mm high and weighs 82Kg. Draw tongs are now supplied separately.
