

RING SHANK BENDER - 7 PIECE

SKU: 1307

Ring Shank Bender - 7 Piece. Durston Tools' new Ring Shank Bender tool incorporates seven sets of dies (five rounds, one square and one rhombus). The dies are made from tool steel and have been hardened and polished and have been precision-made for great performance. The dies line up perfectly together, and the complete unit sits into a 200mm diameter base.

PRODUCT DESCRIPTION

In the short while Durston has been making this tool in mass production, we are proud to say that it is the most popular ring bender in the world. Durston's 7 piece Ring Shank Bender tool incorporates seven sets of dies (five rounds: 12, 14, 16, 20 & 22mm, one square and one rhombus). The dies are made from tool steel and have been hardened and polished and have been precision-made for great performance. The dies line up perfectly together, and the complete unit sits into a 200mm diameter base. The unique geared system gives great reduction, making bending effortless. This set also includes five Delrin dies, precision machined to match steel round posts - which can also be purchased separately.
