PRODUCT DESCRIPTION

Durston's Disc Cutters have been carefully manufactured with an innovative new design.

They include a unique new tray to hold all the punches, and this sits neatly into the back of the disc cutter block.

There is a lubricating compound for the disc cutter which is included with the set.

There is an innovative, easy clamping solution whereby you clamp and then remove the Allen key (which is also included with disc cutter set). The collection also includes levelling shims to provide a complete disc cutting solution for your jewellery workshop. This set contains 17 punches ranging in size from 3mm up to 19mm and weighs in at 7.45kg (3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19mm). Up to 1mm for cutting non-ferrous metals.
