PRODUCT DESCRIPTION

The Durston Setters Bench, designed for setters, engravers and jewellery makers, this solid hardwood bench has many unique features to suit professional or beginner Jewellery Makers. The Setters Bench features a stainless steel work tray built in to the bench top, ideal for close up detailed work like setting or engraving. Perfect for use with a Microscope or Engraver. The Bench Top includes a removable bench peg, back and side guards with cable entrance hole, rear shelf and tool holders on each side.

Bench top working hole: 40cm x 40cm x 10cm. Removable for cleaning etc.

The Bench also features a pull out work surface and additional pull out catch tray with removable stainless steel insert that reveals a felt lined draw / catch area.

On the right side of the bench there is an adjustable shelf with a cable entrance hole at the back, perfect for engravers and other tools etc and below 3 more long length felt lined storage drawers.

This Exceptional Quality Solid Hardwood Bench will last a lifetime, Easy and minimal assembly, this workbench

comes complete with multi-transit packaging giving you complete peace of mind that your order will be delivered in perfect condition direct to your door. The Durston Setters Bench is part of Durston Tools' award-winning range since 1961.

Durston Benches Quality

Durston Tools Benches are unrivalled on quality and design and are known worldwide for being the best on the market. Our benches are designed and built to last a lifetime with responsibly sourced materials and are made by highly skilled craftsmen.

Be aware of cheaper alternatives and copies available online that are made with unreliably sourced materials and a lower standard of finish. Buy Once. Buy a Durston.
