

STAKE HOLDER

SKU: 1124

Stake Holder - Planishing Tools from Durston Tools. Our stake holder tool is sold separately to our domed and flat planishing sets and provides a robust work area and holding tool for your planishing needs.

PRODUCT DESCRIPTION

Our stake holder tool is sold separately to our domed and flat planishing sets and provides a robust work area and holding tool for your planishing needs. It can be bolted to your worktop and provides a large flat work area, as well as a holding place for anvils. Whether you are using our domed planishing set or flat planishing set, the stake holder will give you an increased work area compared to using the handles that come with our planishing sets.

Please note that the anvils pictured are not included when purchasing the Stake Holder.
