PRODUCT DESCRIPTION

The Star Disc Cutter from Durston features an easy clamping solution, insert your material and tighten securely using the Allen key provided, this is a much more secure solution than hand tighten alternatives to ensure your cuts are clean and crisp without any movement. The collection also includes levelling shims to provide a complete disc cutting solution for your jewellery workshop.

The 10 Piece Star Disc Cutter Set includes the following sized punches: 6mm, 8mm, 10mm, 12mm, 15mm, 18mm, 20mm, 23mm, 26mm, 30mm

We recommend max thickness of 1mm (non ferrous metals) and for the smallest 3 punches 0.5mm
