PRODUCT DESCRIPTION

Durstons Tools New Entry Level Workbench offers exceptional value with no compromise on quality in a package that takes little more than five minutes to assemble.

The entry-level workbench has a 25mm thick worktop providing excellent support for projects on a solid hardwood frame. The high railing around the top edge and sides prevent anything from slipping off. It provides exceptional value with no compromise on quality and takes little more than five minutes to assemble. Part of Durstons Tools' award-winning range of products available since 1961.

Please note that a bench peg will only attach the sides of the cut out. It will not attach to the middle of the bench. Bench pegs sold separately.

Durstons Benches Quality

Durstons Tools Benches are unrivalled on quality and design and are known worldwide for being the best on the market. Our benches are designed and built to last a lifetime with responsibly sourced materials and are made by highly skilled craftsmen.

Be aware of cheaper alternatives and copies available online that are made with unreliably sourced materials and a lower standard of finish. Buy Once. Buy a Durston.
