PRODUCT DESCRIPTION

Durston's Superior Balanced Arm Task Light, our most powerful lamp yet, 162 LEDs giving 2500 Lumen at 5600-6000 kelvin. The 5 level brightness adjustment ensures you have the perfect level of light for a wide range of tasks in your workshop. Comes complete with desk mounting clamp attachment giving full 360 movement, that combined with the redesigned arm gives amazing flexibility and allows the lamp to be put in almost any position required.

Weighted base available separately.
