

SUPERIOR WATCHMAKER'S BENCH

SKU: 1851

Watchmaker's Bench Superior (2 boxes) from Durston Tools. Durston Tools' Superior Watchmaker's Bench is the ultimate tool for professional use, offering exceptional quality. The solid timber top and framework together provide an ultra-stable working environment for your project. The specially laminated anti-static top surface has an easy on the eye colour and includes a no-bounce effect when small items are dropped on it. The soft, forgiving surface allows easy pick up with tweezers. It is bound all the way around by a safety rail which prevents anything from slipping off the extended worktop area and gives a generous amount of space, while two moulded armrests enable a really comfortable working position.

Made from Quality Hardwood (some non structural parts made with HDF)

PRODUCT DESCRIPTION

Durston's Superior Watchmaker's Bench is the ultimate tool for professional use, offering exceptional quality in a package that takes little more than 15 minutes to assemble. The solid timber top and framework together provide an ultra-stable working environment for your project. The specially laminated anti-static top surface has an easy on the eye colour and includes a no-bounce effect when small items are dropped on it. The soft, forgiving surface allows easy pick up with tweezers. It is bound all the way around by a safety rail which prevents anything from slipping off the extended worktop area and gives a generous amount of space, while two moulded armrests enable a really comfortable working position. The bench includes a top centre drawer, and a further eight drawers split either side, together with two cupboards. Valuables can be stored safely away in the lockable cupboard or drawer, plus added flexibility is provided by pull-out work storage or placement trays above each set of drawers. Finally, a footrest completes this superbly designed workbench that carries all the hallmarks of Durston's attention to detail. Rest assured the workbench comes with multi-transit packaging, guaranteeing safe and damage free delivery to your door. The Superior Watchmaker's Bench is part of

Durston's award-winning range of products available since 1961.

Durston Benches Quality

Durston Tools Benches are unrivalled on quality and design and are known worldwide for being the best on the market. Our benches are designed and built to last a lifetime with responsibly sourced materials and are made by highly skilled craftsmen.

Be aware of cheaper alternatives and copies available online that are made with unreliably sourced materials and a lower standard of finish. Buy Once. Buy a Durston.
