

WATCHMAKER'S BENCH

SKU: 1850

Watchmaker's Bench from Durston Tools. Durston Tools' Standard Watchmaker's Bench is the ultimate tool for professional use, offering exceptional quality in a package that takes little more than 15 minutes to assemble. The solid timber top and framework together provide an ultra-stable working environment for your project. A specially laminated anti-static top surface has an easy on the eye colour and includes a no-bounce effect when small items are dropped on it. The soft, forgiving surface allows easy pick up with tweezers. It is bounded all the way round by a safety rail which prevents anything from slipping off. The worktop area gives a generous amount of space, while two moulded armrests enable a really comfortable working position.

Made from Quality Hardwood (some non structural parts made with HDF)

PRODUCT DESCRIPTION

Durston's Standard Watchmaker's Bench is the ultimate tool for professional use, offering exceptional quality in a package that takes little more than 15 minutes to assemble. The solid timber top and framework together provide an ultra-stable working environment for your project. A specially laminated anti-static top surface has an easy on the eye colour and includes a no-bounce effect when small items are dropped on it. The soft, forgiving surface allows easy pick up with tweezers. It is bounded all the way round by a safety rail which prevents anything from slipping off. The worktop area gives a generous amount of space, while two moulded armrests enable a really comfortable working position. The bench includes a top centre draw, a further four drawers on the right hand side and additional storage space in a useful cupboard. Added flexibility is provided by a pull-out work storage or placement tray above the drawers. Finally, a footrest completes this superbly designed workbench that carries all the hallmarks of Durston's attention to detail. Rest assured the workbench comes with multi-transit packaging, guaranteeing safe and damage-free delivery to your door.

Durston Benches Quality

Durston Tools Benches are unrivalled on quality and design and are known worldwide for being the best on the market. Our benches are designed and built to last a lifetime with responsibly sourced materials and are made by highly skilled craftsmen.

Be aware of cheaper alternatives and copies available online that are made with unreliably sourced materials and a lower standard of finish. Buy Once. Buy a Durston.
