Thank you for purchasing your Durston Bench. With the correct care and use it will last many years and possibly a lifetime. The Professional Workbench from Durston Tools is beautifully made from eco-friendly materials with a solid hardwood top creating a super-strong work surface to give a lifetime of use. The Professional Bench also features a removable hardwood bench peg, arm rests, mandrel holes with lots of useful storage, and an additional pull-out working area.

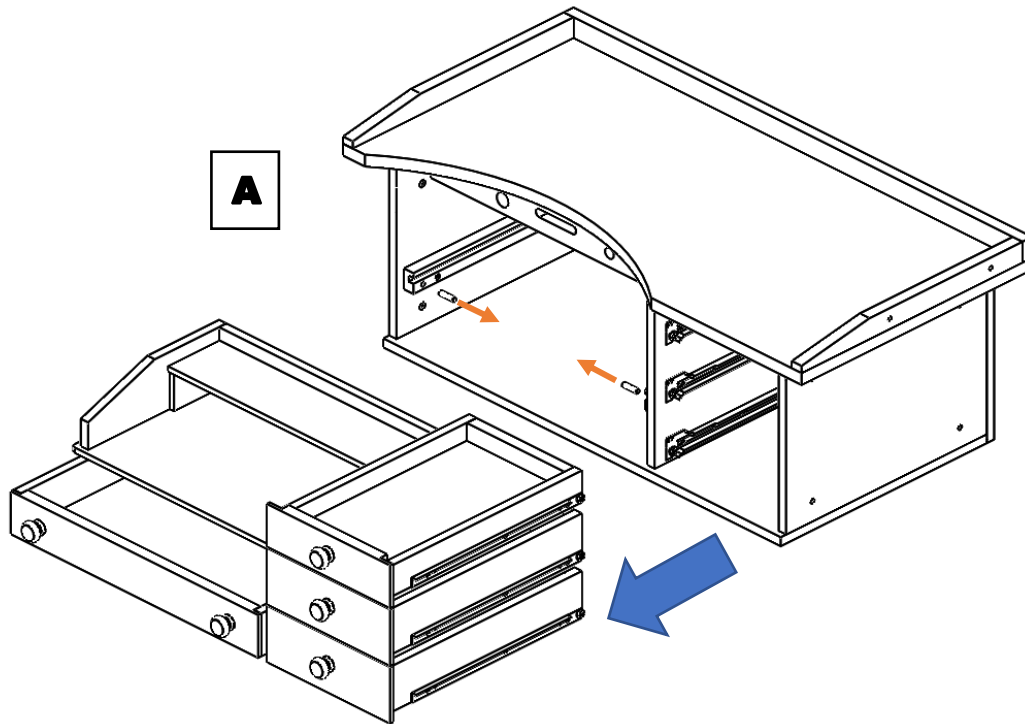

- Perfect sized Durable Hardwood Worktop with a retaining surround
- Pull-out Arm Rests
- Removable Bench Peg
- Pull-out additional work area / catch tray with rear shelf
- 3 Storage Drawers
- 1 Large Pull-out Tray Drawer with Galvanised Base
- Side Mounted Tool Holder
- Arrives pre-built (excluding legs)
- Made from Quality Hardwood (some non structural parts made with HDF)

## Assembling the Bench

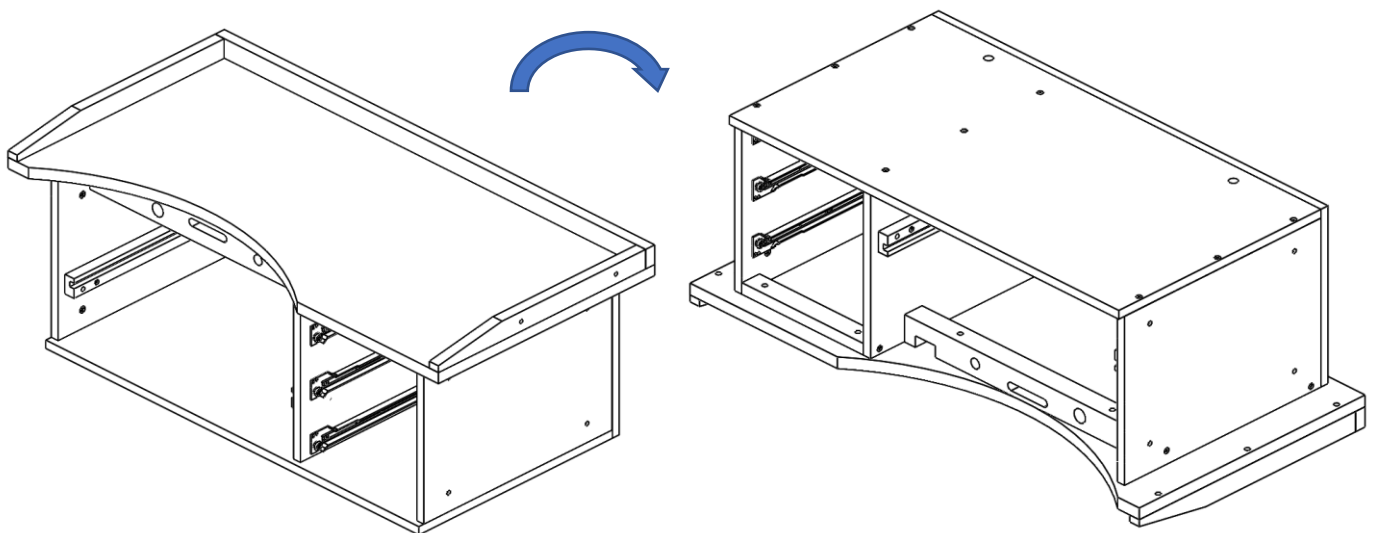

First, unpack the Professional Jeweller's Bench. Check all the parts are there.  
Next, pull out the dowels, as indicated below. Then take out all of the Drawers.

1

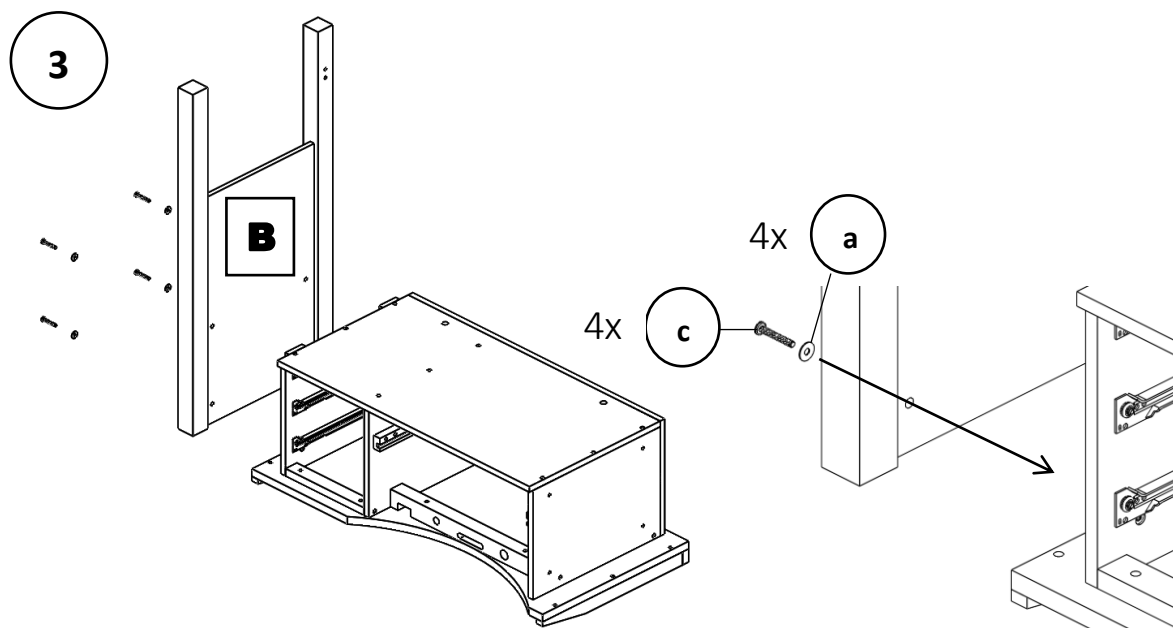

2

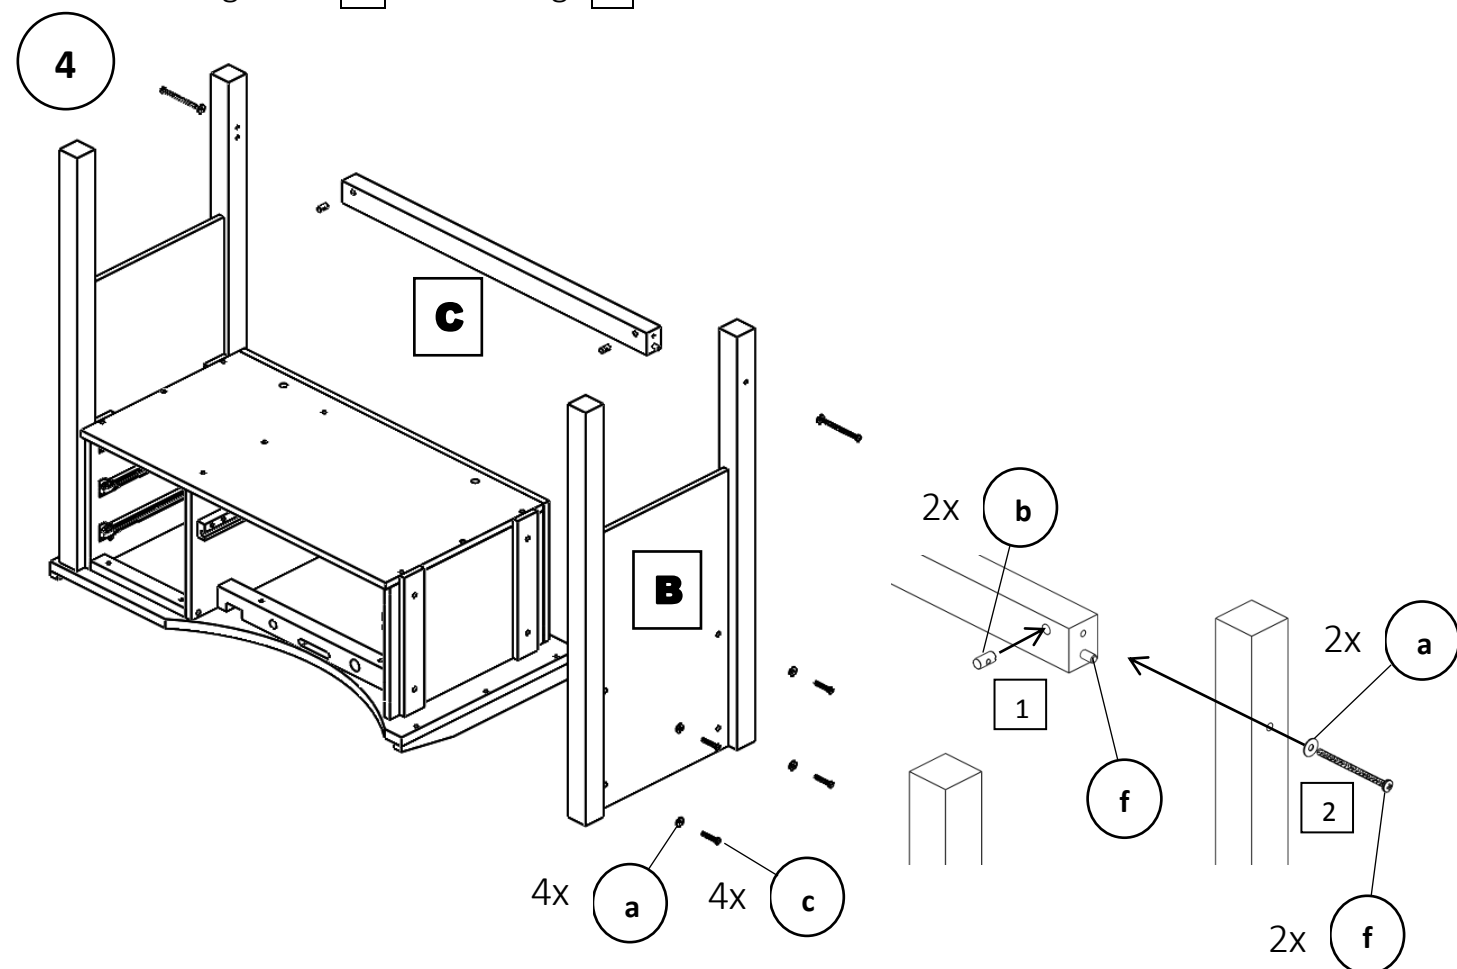

Turn Top upside down as shown.

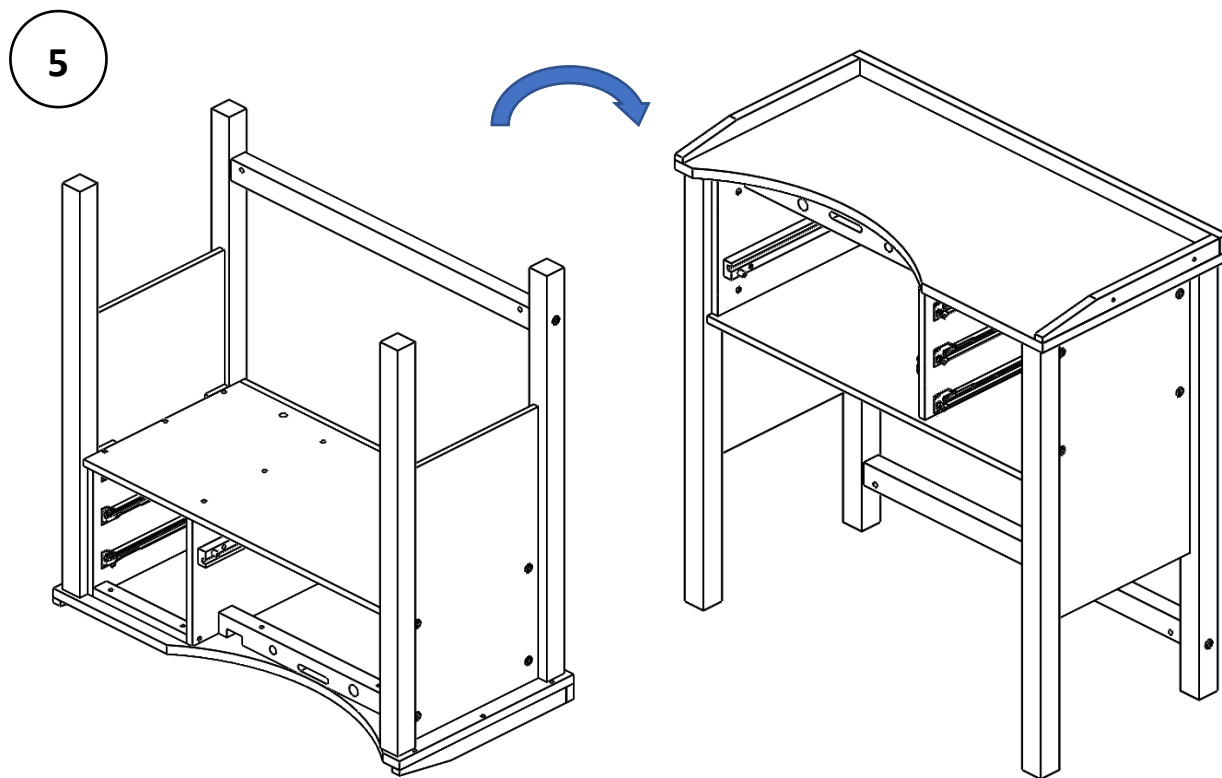

Fit Legs **B** on the Drawer side of the Top

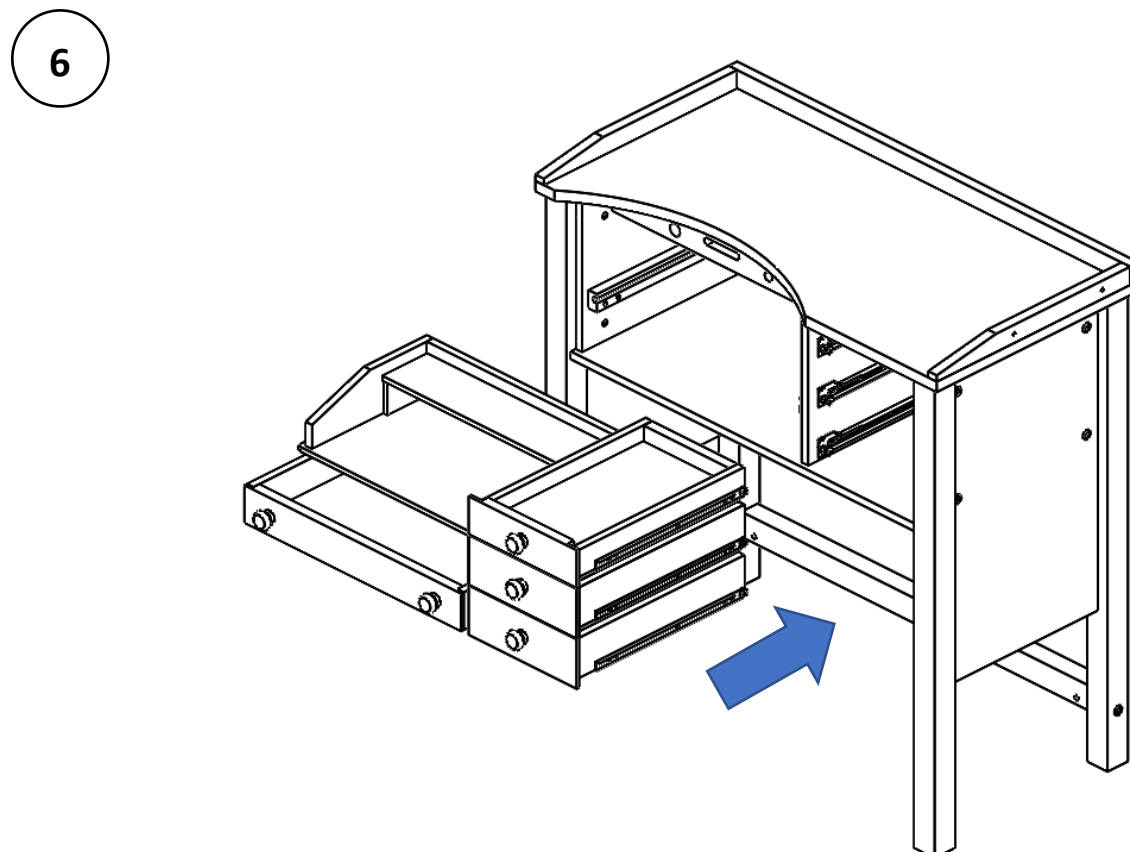

Now fit the Leg Brace **C** and the Legs **B** on the other side.

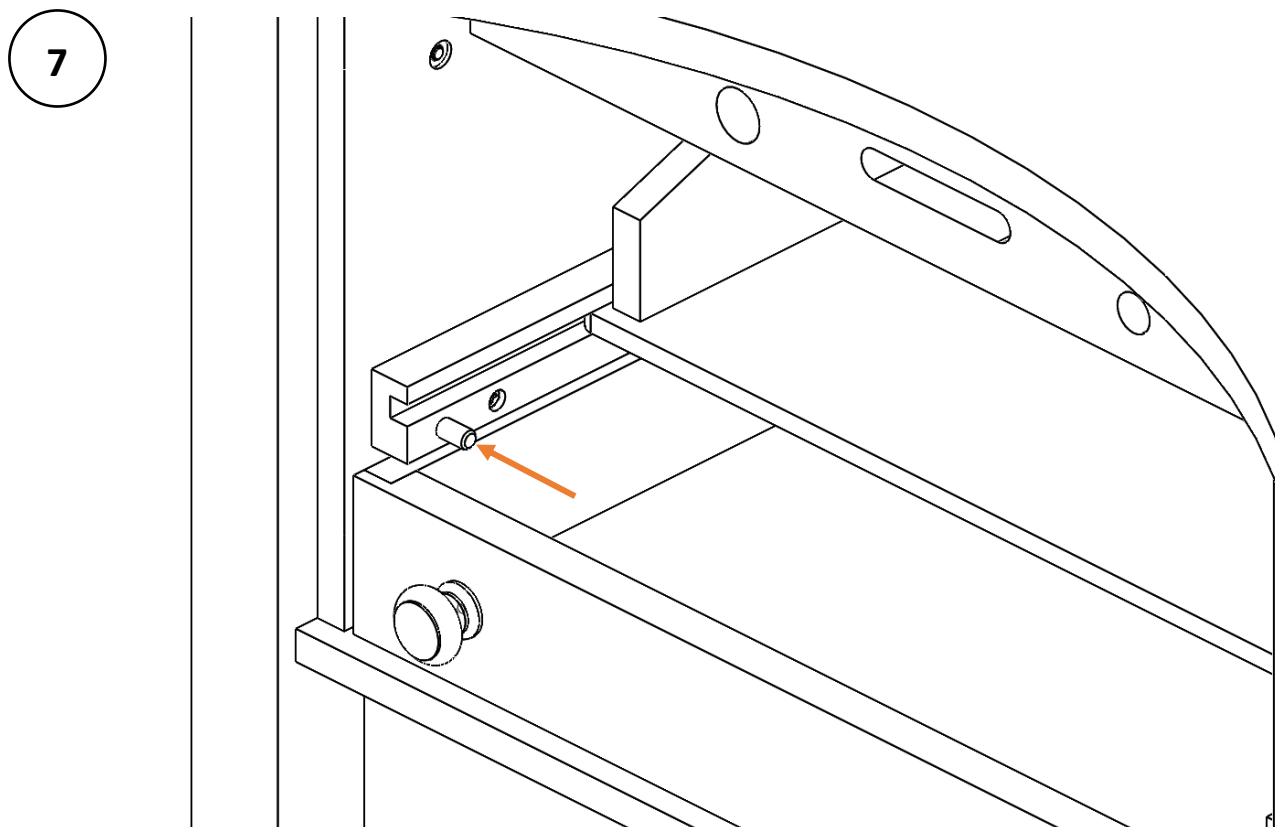

Next turn the Bench over so it is in the upright position.

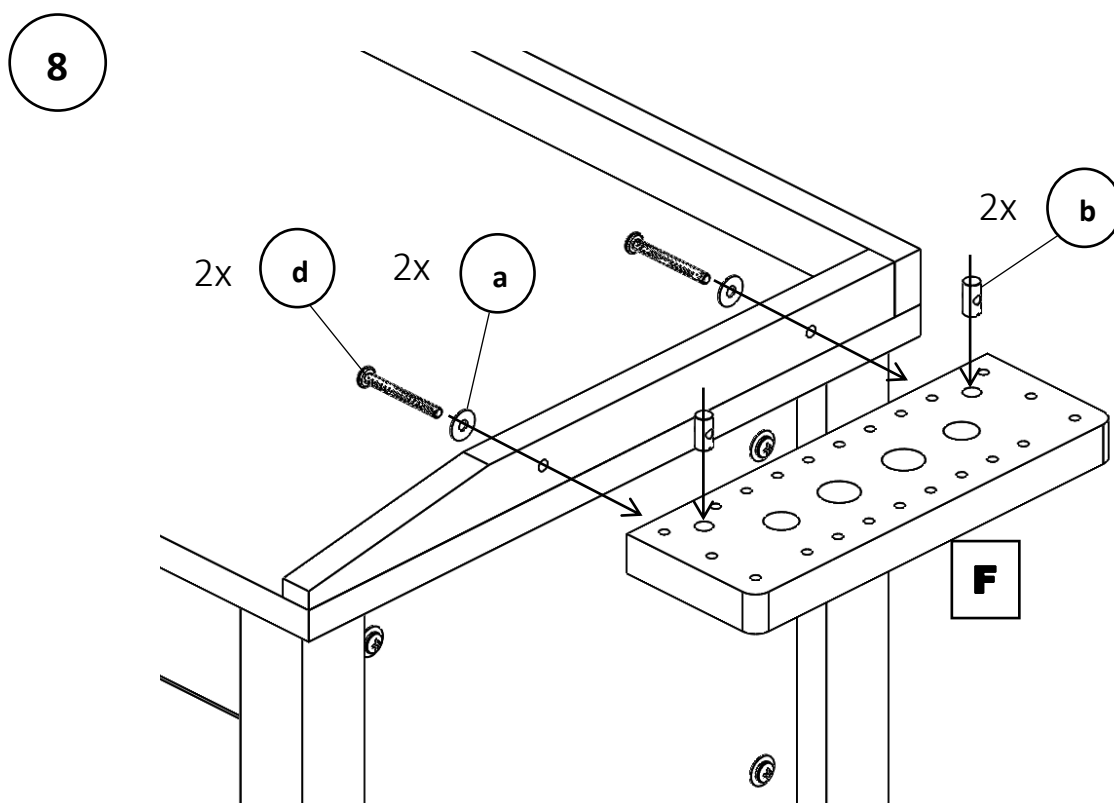

Re-fit the Drawers, as shown below:

Re-fit the 2x 8mm Dowels which you removed earlier, as shown below:

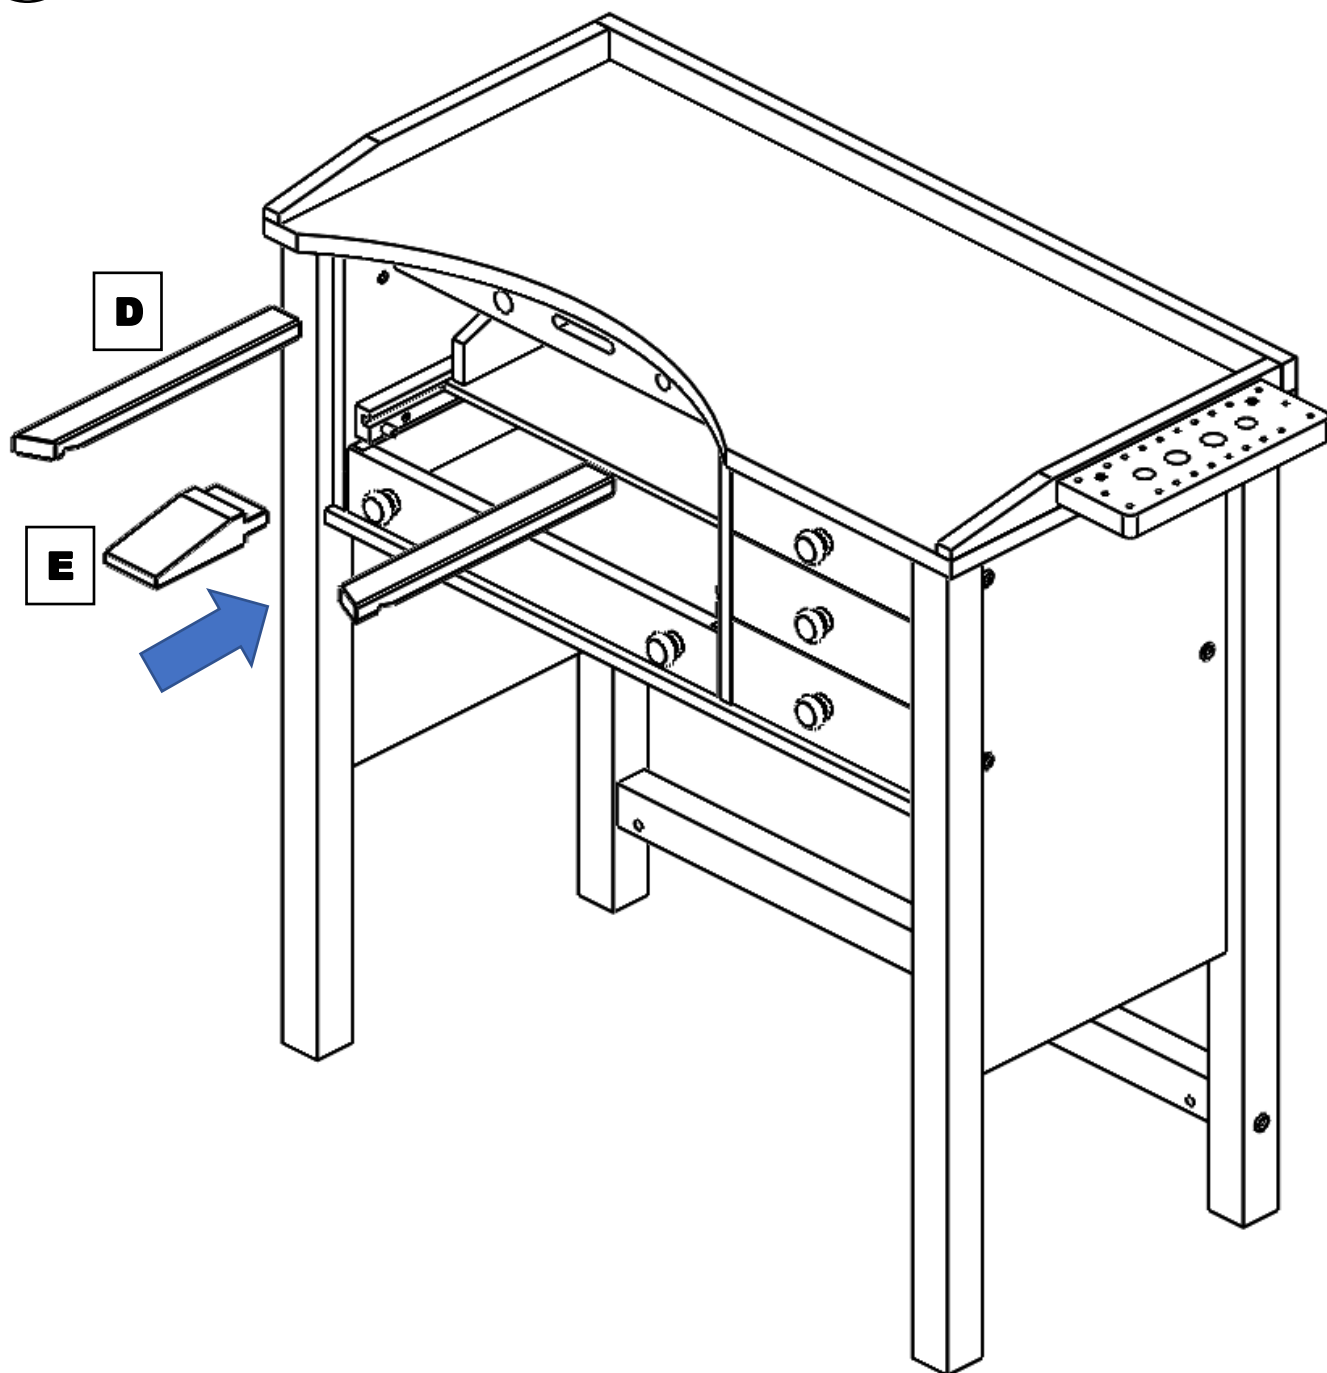

Fit the Tool Holder **F** to the Bench, as shown below:

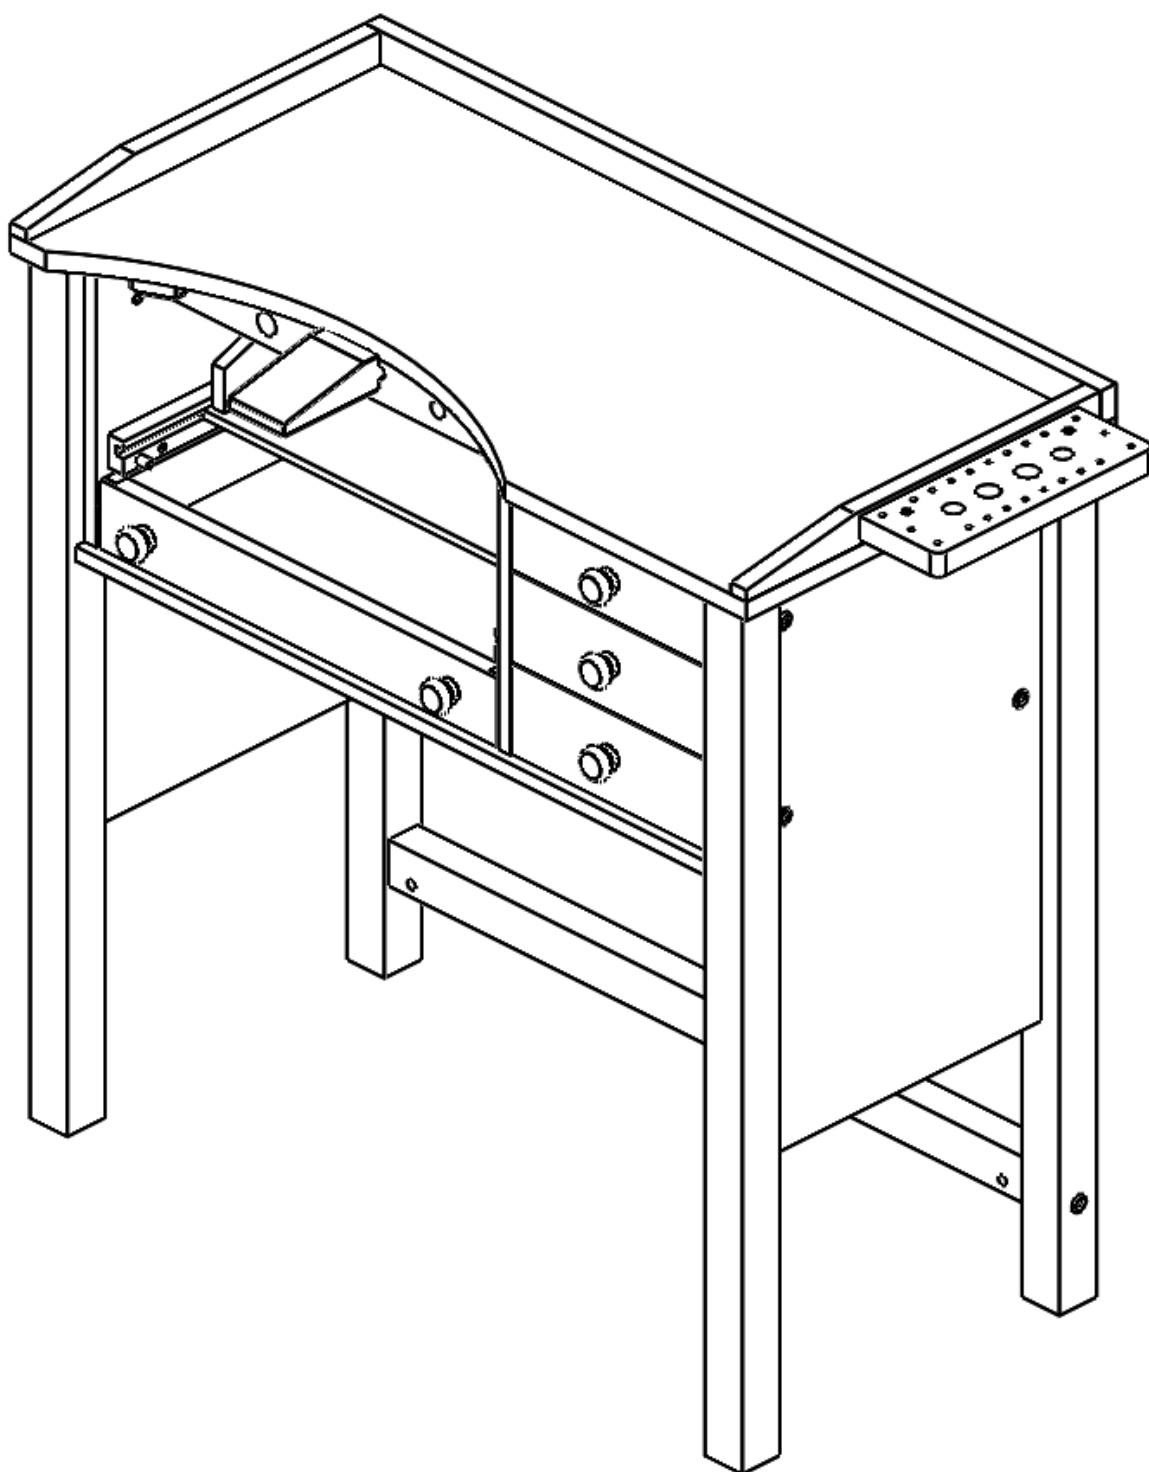

Finally fit the pair of Arm Rests **D** and Bench Peg **E**, as shown below:

9

The Professional Jeweller's Bench is now assembled and ready to use.
